Dear Brent:

We did it! Thank you so much for all your guidance and assistance throughout the [REDACTED] sale.

As the banker working the purchaser's side, I want you to know that your hard work and diligence on behalf of your client were critical to the success of the business sale. There were many times when we could have slipped off the path, so to speak, and your leadership kept us moving the right direction. It's not often that all involved parties walk away from a significant business transaction feeling that they "won". But thanks to your efforts, this particular deal was absolutely a win for the seller, the buyer, the bank and you – not too bad!

Our sincerest thanks, again, for allowing us to be a part of this deal. We very much look forward to partnering again in the near future!

Sincerely,

Jeffrey T. Ronen
Managing Director, Wichita
