Making the decision to sell a business is never an easy one. However, once the decision is made, the plan must be fulfilled with the least amount of hassle. The only way to find the right buyer and satisfactorily close the transaction is with the proper help.

Brent Bressler of Bressler Ventures, LP is the right person for the job. From the time you decide, until you hand over the keys, you can count on Brent to be there assisting you in any way possible.

We have had the privilege of working with Brent on two separate occasions, and can heartily recommend his services.
